KAK! Mariah speaking! KAK! The Middle Stack is gone! You know how much I hated that Stack! My children just couldn't stay away from it! But now it's gone! KAK!!!!

(5x7 Collage)

(Sticker)

(8x10 Collage)

Thanks to a few of my **many** adoring fans, bricks (well actually pieces of bricks) from this once imposing structure are now available. I decided that some good must come from the destruction of my nemesis, which is now only a deep hole. I selected a small team of my Watchers to come up with ideas on how best to use these bricks and **The Bricks for Chicks Campaign** was hatched!

What better way to have my revenge, by scattering my enemy around the world? There are five ways to get your very own chunk of stack:

Donation Level	Gift	Amount
"Chick"	Receive a piece of brick from the middle stack, a 'Bricks for Chicks Sticker' designed by Dana, and a special storage box.	\$10 + Shipping/Handling
"Juvie"	All items from the Chick level, PLUS a choice of a 4x6 print	\$15 + Shipping/Handling
"QTP2T"	All items from the Chick level, PLUS a 5X7 Collage designed by Shaky (Landscape)	\$20 + Shipping/Handling
"Queen"	All items from the Chick level, PLUS an 8X10 Collage designed by Lou (Landscape)	\$25 + Shipping/Handling
"M&K"	You get it all: Brick, box, sticker, and all prints (both 4x6's and both collages)	\$50 + Shipping/Handling

All proceeds from the sale of these bricks will go to **GVAS** (Genesee Valley Audubon Society) to support the **Rochester Falconcam**.
